Writing

### The Funny story.

My friend James lives in England. He sent me an email today. It seemed quite normal. James writes that they had an unexpected snowfall in mid-September. Everyone was happy and started playing snowballs and sliding. My friend was happy to photograph such an unusual phenomenon. There was music coming from the window of a nearby house. James thought of the new year's holidays. My heart felt warm and comfortable. Then a horse came around the corner with flowers in its mouth. She ran past James and disappeared around the bend. James didn't understand what it was.

I very like this story. I told it to my family and friends. We laughed together. On the holidays I will happily visit my friends. And will we play different games. I think the winter will be good.
